

Bing Go 3D

Contents:

1 board with 16 columns, 32 light coloured pieces, 32 dark pieces.

To start the game:

Pieces are taken from the board and divided among the players so that one has the light and the other has the dark pieces.

Playing the game:

In turns each lay one piece on one of the columns.

The aim of the game:

To be the first to lay four pieces of one's own color in a row (horizontally, vertically or diagonally).

Variant:

All pieces are played out. Winner is the player with the most rows of four
